I (we) understand that the terms of Trade for a Credit Account are for payment to be made on the 20th of the month following the month of purchase. Balances outstanding beyond the 20th of the month will be charged interest at a rate not less than 5% higher than then our banks business overdraft rate.

Industrial Automation Services Ltd may also close the account for further purchases until payment is received to clear the account. Industrial Automation Services Ltd reserves the right to suspend or close an account at any time.

No goods will be accepted for return without prior consent and must be returned within 14 days of date of invoice.

All goods shall remain the sole and absolute property of Industrial Automation Services Ltd as legal and equitable owner until such time as the customer shall have paid to Industrial Automation Services Ltd the agreed price together with the full price for any other goods the subject of any other contract with Industrial Automation Services Ltd. In the event of the purchaser reselling or otherwise disposing of the goods or any part thereof before the property therein has passed to the customer then the property will until payment in full to Industrial Automation Services Ltd of the price of the goods, hold in trust for Industrial Automation Services Ltd all his rights under such contract of resale or any other contract in pursuance of which the goods or any part thereof are disposed of, or any contract by which property comprising of the same goods or any part thereof is or is to be disposed of, and any moneys or other consideration received by him there under . The risk in the goods passes to the customer upon delivery notwithstanding that the legal, equitable and beneficial ownership shall remain with Industrial Automation Services Ltd until all payments have been received. If any of the goods are sold prior to all payments being made to Industrial Automation Services Ltd and any of the said good(s) become a constituent of any other goods, the proceeds of sale of such good(s) comprising our goods shall be the property of Industrial Automation Services Ltd.
